

*Invading UFOs are abducting our livestock!
Protect your livestock by keeping them away.*

SETUP

At the end of setup, and before taking the first turn, shuffle Invasion into the deck.

HOW TO PLAY

When Invasion is revealed, the active player must immediately place it on top of the last card played, covering the entire card.

During the game, you cannot place another card on top of the Invasion card.

END OF THE GAME

-1 point for each livestock pen surrounding the Invasion card. If a livestock block has 2 pens, each pen will be -1 point.

Blocks that are diagonally adjacent to the Invasion card are not considered to be surrounding it.
