| B 5 Food Cards | F 1 Bird |
| C 1 Beetle Meeple | G 1 Bird Token |
| D 5 Tribute Leaves | H 12 Recipe Tiles |

Bird Construction

Expansion Overview

Bites: New Recipes is the perfect way to add more flavor to your game. There are 15 fun ways to enhance play. Teleporting ants, a chocolate craving bird, a bossy beetle and many more to discover!

Food cards are added to replace the small food tokens from the base game. They should make it easier for rules cards that have hidden info like “Picky” and “Spoiled Food”.
