

MEEPLE CIRCUS SHOW MUST GO ON!

A new expansion for a family game,
which is already a Matagot classic

Circus, the fun and family-friendly game from *Matagot*, is welcoming a new expansion.

Show Must Go On brings you new artists in the circus troupe, and adds the director's directions, some crazy and extravagant challenges to make your performance!

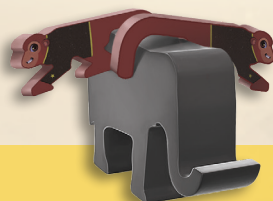

Meeple Circus: some crazy acrobats for a fun family game

Published in 2016, *Meeple Circus* is already a classic *Matagot* game! It is about making the most spectacular show, to meet the public expectations and get the most applause. Each player will have 2 rehearsals and one true act, 3 chances to make the best acrobatics, using wooden meeples. Acrobats, carriers but also horses, sea lions, elephants and multiple accessories are at your disposal to create the most incredible show and get the applause!

Meeple Circus : Show Must Go On !

With its first expansion *The Wild Animal & Aerial Show* released last year, *Meeple Circus* already welcomed new VIPs in the troupe, to spice up the show! The show once again receives artists with new talents in the troupe! Dance with Anastasia, acrobatics with the monkeys King and Kong, fury with John and his motorcycle, and grace with Bao, the balancing performance: new artists with breathtaking acts to complete the troupe and add new surprises to the show!

But the real novelty is the the director's directions! At each round, the director gives a new rule, which impacts the realization of all your performance. With these crazy challenges, including a blind act with a colorful mask, you will test your dexterity to prove to the public that your circus show is the best of them all!
